Q: Can you clarify the rules around visitor's passes for those who already have permits?

A: How to apply

Where they can be picked up:

- Must be picked up in person at Parking Authority during business hours
- 394 Central Avenue, Jersey City
- Phone Number: (201) 547-5538

Process:

- Scratch off for the days you need

Q: Can you change the distance that cars are allowed to park from corners? Changing this may provide a few extra parking spaces.

A: We are looking to change this in the city as these regulations are set by the state. We have been working with our Traffic and Engineering team on doing this. Before we move forward, we need to have a meeting with the Fire Department. They have some concerns about changing the distance that cars allowed to park from corners, but we are actively working with them to see what we can do.
